Book12: p.6-10 ♪4: p.70-75 CD㊤-Sing Along!4

Work, work, work!
All I ever do is work!

I wake up early every day.
I get up with the sun.
And then I work until it's night.
My work is never done!

Oh, work, work, work!
All I ever do is work!

I carry buckets to the well
And fill them to the top.
It's up the stairs, then down again-
Until I think I'll drop.

Oh, work, work, work!
All I ever do is work!

I chop the wood and sweep the floor.
I carry books all day.
I always have so much to do
I have no time to play.
I just have time to ...

Work, work, work!
All he ever does is work!

He wakes up early every day.
He gets up with the sun.
And then he works until it's night.
His work is never done!

Work, work, work!
All he ever does is work!

He carries buckets to the well
And fills them to the top.

Magic's the way to get the work done.
Yes, magic's the easiest way to get the work done!

I won't lift a bucket. I won't lift a book.
I won't lift a thing all day.
I'll just lift my finger and point,
And the broom will do just as I say.
It will come when I call,
And I'll do it all with magic.

I won't have to work from the time I get up
Until I go to bed.
I won't have to work at all
When I'm wearing this hat on my head.
I'll dance and I'll sing,
And I'll do everything with magic! *
