

ACTIVITY CARD F 《ヒューイ、フェーイ、ルーイの学校の一日》

▶ Get out Activity Card F. It's the one with the big clock on it. And Mickey Mouse is on the clock!

Listen! Do you hear the clock ticking?

Look at the clock. The clock has two hands ... a big hand & a little hand.

Put the big hand on 12. Put the little hand on 7.

What time is it? It's seven o'clock.

▶ Every day, at seven o'clock, in the morning, Daisy wakes up. Dewey, Louie and Louie up. Sometimes, they don't get up right away. They go back to sleep.

▶ Now look at your clock again.

Put the big hand on 6. The little hand should still be on 7. It's 7:30.

Daisy goes up to their bedroom.

They rush off to school.

They get there in time, just as the bell is ringing.

▶ Look back at your clock again.

School begins at 8 o'clock in the morning.

All morning, they are in school.

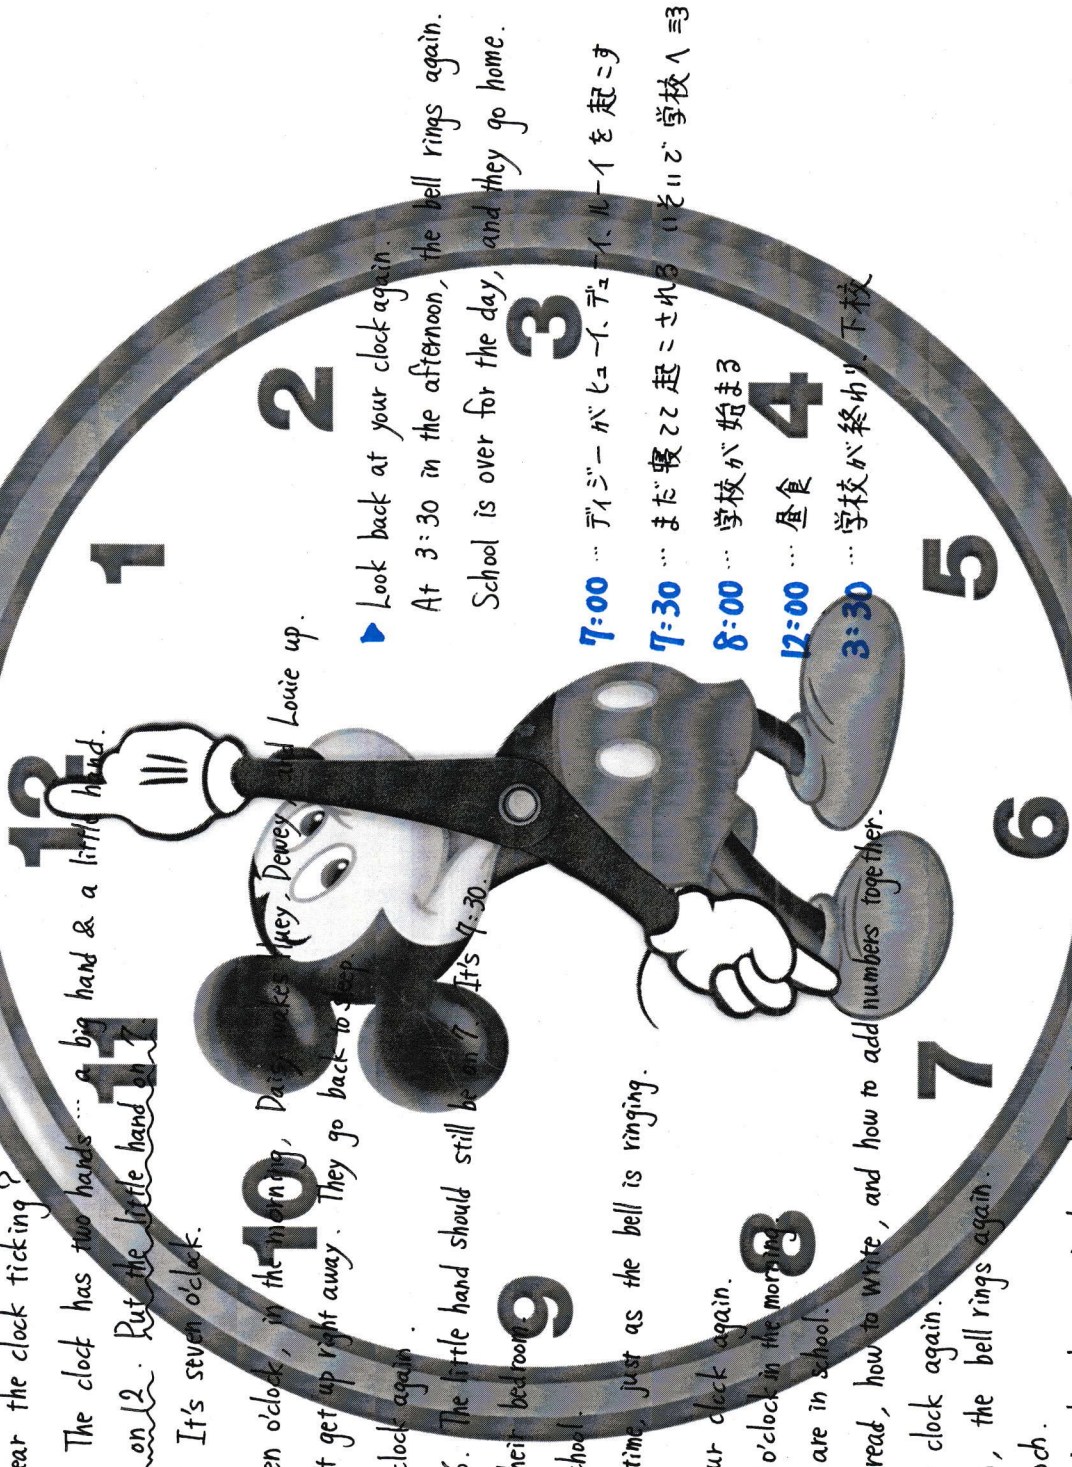

They learn how to read, how to write, and how to add numbers together.

▶ Look back at your clock again.

At 12 o'clock noon, the bell rings again.

It's time for lunch.

After they finish lunch, they go back to their classroom.

▶ Look back at your clock again.

At 3:30 in the afternoon, the bell rings again. School is over for the day, and they go home.
